

# Terms and conditions applicable to Eurojust's financial assistance to the activities of Joint Investigation Teams (JITs)

## I. Generalities

1. These terms and conditions apply to Eurojust's financial assistance to JITs (hereinafter referred to as the "Eurojust JIT funding programme") and constitute an integral part of the application. The provision of financial assistance will take the form of a grant.
2. The provision of financial assistance is subject to availability. The amounts to be reimbursed, the applicable ceilings, and the award procedure are all subject to change from one published call for proposals to another.
3. The submission of an application does not result in any entitlement to funds.
4. In the event of funds being awarded to the applicant, the completed application and the Award Decision shall constitute a grant agreement between Eurojust and the applicant.
5. Financial assistance is provided for cases supported by Eurojust. Therefore national members, their deputies or their assistants, shall be invited by the JIT to participate in any JIT involving their Member State and for which Eurojust funding is sought. Financial support is subject to such invitation.
6. JITs involving at least one Member State are eligible to receive funding. Member States and third States that are parties to, or participants in, a JIT involving one or more Member States are eligible for funding.
7. Participants in a JIT are not eligible for reimbursement if they are participants from EU bodies/agencies (e.g. Eurojust, Europol, OLAF).
8. Eurojust does not fund attendance at Europol meetings under the Eurojust JITs funding programme.
9. The applicant agrees to perform an evaluation of the JIT at the time of, or in the days following its closure; and to submit a completed JIT evaluation form to Eurojust. The evaluation form, as well as guidance and support to carry out the evaluation, can be found on [Eurojust's website](#).
10. The applicant agrees that Eurojust may use the information it receives, if edited to prevent identification of any person, for analysis (including the evaluation of a JIT) and dissemination to interested parties. To prevent double funding of the same costs, and to protect the financial interests of the European Union, the exchange of relevant information with EU institutions, agencies and bodies may take place.
11. Unless Eurojust requests or agrees otherwise, any communication or publication made by beneficiaries of JIT funding; whether done jointly or individually; that relates to the funded

action(s), including at conferences, seminars or in any information or promotional materials (such as brochures, leaflets, posters, presentations, in electronic form, etc.), shall:

- indicate that the action has received funding from Eurojust; and
- display the Eurojust [logo](#); additional information on the use of the logo is available on Eurojust's website.

The obligation to display the Eurojust logo does not confer on beneficiaries a right of exclusive use.

Beneficiaries are invited to inform the Eurojust Corporate Communications Unit ([communications@eurojust.europa.eu](mailto:communications@eurojust.europa.eu)) when planning any communication action (press release, social media post, etc.) of the results or outcome of the case supported by the JIT.

12. Eurojust shall notify applicants of any refusal of an application, or of any decision to terminate financial assistance. Such refusal or termination shall not be subject to compensation. These terms and conditions are subject to change from one published call for proposals to another and to revision at the discretion of Eurojust.
13. Activities already funded under another EU programme are not eligible for Eurojust financing.
14. Eurojust reserves the right to suspend, terminate or cancel the grant agreement, make a reduction of the award granted, or to seek recovery of an awarded sum, should any of the following situations arise after the applicant has been given an opportunity to present his/her justifications:
  - a) if the JIT agreement has not been extended for the corresponding action period, and if it has been confirmed by the applicant that no money will be claimed under the grant agreement;
  - b) if amounts exceeding the financial ceilings set out in the grant agreement have been paid;
  - c) if amounts paid in accordance with the grant agreement are higher than the actual costs incurred by the applicant for the action, or if the operating budget reveals a surplus *ex post*;
  - d) if, in respect of loaned equipment, usage costs are manifestly disproportionate, or equipment is not returned in good working condition;
  - e) if the applicant has been unable to prove his/her costs as per these terms and conditions; or
  - f) in the event of false declarations and/or claims made by the applicant;
  - g) if the same costs are financed twice by the European Union budget (double funding situation).

## II. Actions supported and eligible costs

15. Through these grants, support is provided to the following actions:
  - meetings of the JIT;
  - participation in investigative measures carried out on the territory of another State;
  - cross-border transportation of seized items, evidentiary material or procedural or case-related documents;
  - specialist expertise costs incurred for the purpose of the JIT;
  - purchase of low-value equipment to be used for the purpose of JIT activities;

- the JIT's evaluation, or actions in relation to investigative or judicial procedures directly deriving from the JIT in which its results are to be used.
16. Eligible costs related to these actions are as follows:
- travel and accommodation costs;
  - interpretation (including during investigative measures) and translation costs (including of evidentiary material or procedural or case-related documents);
  - transportation costs for transferring items;
  - specialist expertise costs; and
  - purchase of low-value equipment.
17. Any financing is necessarily subject to the limited availability of funds. To enable reasonable distribution, and to achieve the objectives of JITs funding as described above, a ceiling of EUR 50,000 has been set for each application.
18. Eligible costs shall satisfy the following criteria:
- costs must be incurred exclusively in relation to cross-border operational activities of the JIT;
  - costs must be necessary for the performance of the actions for which funding has been sought, and must be carried out within the agreed time-frame;
  - costs must be reasonable, justified and in accordance with the principles of sound financial management;
  - costs must be incurred by the beneficiary:
    - during the lifetime of the JIT; in subsequent investigative or judicial procedures in which the result of the JIT is used; or during the evaluation of the JIT<sup>1</sup>; and
    - within the period indicated in the relevant call for proposals; and
  - costs must be recorded in the accounting records of the beneficiary, determined according to the applicable accounting standards of the State where the beneficiary is established and according to the usual cost accounting practices of the beneficiary.
19. VAT is not eligible for reimbursement.
20. To comply with the co-financing principle, Eurojust will reimburse 95% of the total eligible costs under the call for proposals. This means that the amount stipulated in the Award Decision will be reimbursed fully only in the event that this amount is less than or equal to 95% of the total eligible costs. An amount of at least 5% of the total eligible costs shall be borne by the national authorities of the Member States.

#### **A. Travel and accommodation costs**

21. Travel and accommodation costs will be reimbursed on the basis of the following unit costs, following the principles set out in Article 181 of [Regulation \(EU, Euratom\) 2018/1046](#) of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013,

---

<sup>1</sup>Eligible costs shall always be linked to the cross-border nature of the JIT. In the given situation, they could consist of e.g. costs of a follow-up meeting organised to examine the evidence collected by the JIT, translation costs of evidence collected by the team, or translation of a verdict passed in one of the States involved that is necessary for the investigation or prosecution of the case in another involved State. Under no circumstances shall the JITs funding programme be used to cover costs incurred in exclusively national proceedings.

(EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014 and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012 (OJ L 193, 30.7.2018, p. 1).

Nature of travel/accommodation (*)	Applicable unit costs
Return flight within EU	EUR 280 per person
Return flight to and from non-EU States	EUR 340 per person
Return flight to and from overseas States/territories	EUR 880 per person
Return trip by car (**) (EU/non-EU)	EUR 180 per vehicle(**)
Return trip by train/bus (EU/non-EU)	EUR 230 per person
Return trip by boat (EU/non-EU)	EUR 80 per person
Accommodation (EU/non-EU)	State-specific rate, according to the list published on Eurojust's <a href="#">website</a> (Reimbursement section).
<p><b>(*) For the purposes of applying travel unit costs</b>, both the point of departure and final destination will be taken into account.</p> <p><b>(**)</b> For the purposes of calculating this unit cost, one car shall be deemed to carry up to three passengers. As such, the unit cost of EUR 180 will be reimbursed on the basis of multiples of three passengers (with four to six passengers being reimbursed EUR 360, etc.).</p> <p><b>Remark: in case the means of transport are combined (e.g. flight for one trip and train for the return trip), half of each unit cost will be reimbursed.</b></p>	

22. Eligible costs shall relate to costs incurred by:

- JIT leaders and/or JIT members;
- other national public authorities participating in the cross-border operational activities of the JIT;
- third parties mandated by JIT leaders and/or JIT members to participate in the cross-border operational activities of the JIT;
- victims and witnesses in relation with investigative measures conducted by the JIT.

23. Only travel costs relating to specific and clearly identifiable activities are eligible. Travel to destinations other than those where members of the JIT are located must be shown to be relevant to the JIT.

24. Only a single means of transportation per trip will be accepted for reimbursement. However, a combination of means of transportation may be accepted in cases of duly-justified force majeure.

25. No reimbursement will be made for domestic and local travel (i.e. travel costs incurred by persons involved in JIT activities within one State only).
26. Domestic accommodation costs (i.e. accommodation costs incurred by persons involved in JIT activities within their own State) may only be reimbursed if related to a JIT activity with the actual participation of the other participating State(s).

#### **B. Interpretation and translation costs**

27. Actual costs of interpretation and translation - including travel and other associated costs for interpreters and translators - can be reimbursed.

#### **C. Transportation costs for transferring items**

28. Actual costs of cross-border transportation of seized items, evidentiary material, procedural or case-related documents can be reimbursed (e.g. courier service, excess baggage costs for air travel).

#### **D. Specialist expertise costs**

29. Actual costs of specialist expertise can be reimbursed.

#### **E. Purchase of low-value equipment**

30. Low-value equipment items eligible for reimbursement are:
- IT hardware (including accessories) and software;
  - software licences;
  - electronic devices.
31. The purchase of low-value equipment will be reimbursed on the basis of the actual costs subject to conditions laid down below.
32. Full purchase price of the equipment may be covered by the JITs funding programme, subject to the following conditions:
- local public procurement rules have been followed;
  - the low-value equipment remains a property of the national authority that is party to the JIT and is therefore inventoried in the organisation in which it is installed;
  - the low-value equipment is required for use in cross border cooperation;
  - the purchase cost is between EUR 100 and EUR 750 per unit (excluding VAT costs);
  - the total amount requested for purchase of low-value equipment shall not exceed EUR 7,500 per application.

Low-value equipment items shall be considered as separate equipment units<sup>2</sup>. If the low-value equipment items are purchased and invoiced together (as a set or package), they are considered as only one unit.

---

<sup>2</sup> The invoice should clearly list the items and state the unit price of each item separately.

### III. Lending of equipment

33. As part of the funding programme, laptops with secure connections, secure mobile telephones, scanners and printers are available for loan. The loan includes the payment of all line/connection charges without the need for a separate application. The maximum loan period is the duration of the JIT, including possible extensions. Upon expiry of the JIT, if beneficiaries wish to use the equipment for a longer period, they must submit a copy of the extension of the JIT agreement. The same equipment will be loaned for the duration of the extension of the JIT.
34. Applicants are asked to substantiate any requests for the lending of equipment, which will be decided upon by Eurojust; taking into consideration the overall objectives of the JIT as described above, the unavailability of relevant infrastructure in the area of investigation, other technical factors, and operational demand.
35. The lending of equipment is subject to availability and the submission of the necessary form (the IT Equipment Request) within one month of issuance of the Award Decision. If the form is not submitted within that period, the equipment will no longer be reserved.
36. Eurojust can only deliver equipment to recipients within Member States at its own costs.
37. The beneficiary shall return the loaned IT equipment and/or mobile telephone to Eurojust immediately upon expiration of the JIT for which it has been loaned; or when requested to do so by Eurojust. Eurojust can only arrange the pick-up of the loaned IT equipment in Member States at its own costs.
38. Such equipment will remain the property of Eurojust at all times; and must be returned in good working order within four weeks of the end of the loan period.
39. The beneficiaries shall be held fully liable for any damage or loss of IT equipment or mobile telephones caused either by themselves or any third party. The beneficiaries shall reimburse to Eurojust the equivalent of the value of the damage or loss.

### IV. IV. Procedure

#### A. Submission of applications and admissibility criteria

40. Any application for financial assistance must be submitted using Eurojust's Joint Investigation Teams Portal and electronic application system<sup>3</sup>, accessible from Eurojust's website (hereinafter referred to as the 'JITs-PS').
41. An application submitted via the JITs-PS is considered received by Eurojust when it reaches its server and the receipt is confirmed by the automatic message from the JITs-PS.

---

<sup>3</sup> Should the applicant encounter technical difficulties with the electronic system, s/he should contact the JITs Network Secretariat at [JITs@eurojust.europa.eu](mailto:JITs@eurojust.europa.eu).

42. The application must be complete - including description of the JIT, planned activities and foreseen costs.
43. The application must identify at least one bank account of a public institution of a State involved in the JIT that is already known and acknowledged by Eurojust <sup>4</sup>.
44. The application must be received by Eurojust on the day of the deadline at the latest. Applications will be acknowledged by Eurojust by e-mail, indicating the date of receipt.
45. Only one application for the same JIT shall be sent within one application deadline. In case of submission of multiple applications from the same JIT, Eurojust invites the applicant(s) to confirm which of the applications is relevant; and to withdraw the other application(s) within the given deadline. If no confirmation is received within the given deadline, only the latest application of the JIT will be accepted for further evaluation, and the other application(s) received will be rejected.
46. JITs are not allowed to be awarded a grant in two consecutive calls.
47. Applicants can seek support in the application process by sending an e-mail to [jits@eurojust.europa.eu](mailto:jits@eurojust.europa.eu). Please be aware that to enable a smooth processing of submitted applications, support cannot be guaranteed on the last day of the application deadline.

---

<sup>4</sup> Should the communicated bank account prove not to be already known and acknowledged by Eurojust in accordance with the applicable financial rules, the applicant will be requested to provide a completed Financial Identification Form for this account within a set deadline. In such case, award of a grant will only be made once this condition is fulfilled.

### C. Eligibility criteria

52. The applicant must prove the existence of a JIT by providing a copy of the signed JIT agreement (edited to exclude any identifying data), including possible extensions<sup>16</sup> (unless a copy of the signed JIT agreement with an extension covering the action period of the relevant call for proposals has already been provided in a previous application).
53. National members, their deputies or their assistants shall be invited to participate in any JIT involving their Member State, and for which Eurojust funding is provided. Financial support is subject to such invitation. A Eurojust case ID number shall be required and thus indicated in the application.

### D. Selection criteria

54. The application must be submitted by the JIT leader(s) or JIT member(s) of an EU Member State with delegated authority, in his/her professional capacity, to demonstrate the professional competencies required to participate in a JIT. The JIT leader may delegate the submission of an application to another person with relevant professional competency (i.e. JIT National Expert, Eurojust College Member, Europol Liaison Officer).

### E. Award criteria

55. Eligible applications will be evaluated by the Evaluation Committee. Eligible applications will be ranked, taking into account the following award criteria:
- 1) investigation of a terrorist offence, genocide, crimes against humanity, war crimes, a crime identified as a priority in the [Council conclusions setting the EU's priorities for the fight against serious and organised crime for 2022-2025](#), or other serious cross-border crimes which Eurojust is competent to deal with;
  - 2) number of States involved;
  - 3) number of previous successful applications submitted to Eurojust by the JIT;
  - 4) complexity of the JIT; and
  - 5) purpose of the actions and justification of estimates.
56. The authorising officer of Eurojust will on the basis of the evaluation decide upon the successful applicants, the awarded amount and equipment item(s) for each application, giving the reasons for such a decision, including when it is inconsistent with the opinion of the Evaluation Committee. The decision will then be communicated to the JIT (i.e. to the contact person mentioned in the application).

---

<sup>16</sup> If the JIT has already expired and funding is sought for the purposes of the evaluation or in relation to investigative or judicial procedures directly deriving from the JIT in which its result is to be used, a copy of the last extension available before the closure of the JIT shall be provided.

If the JIT expires before the end of the relevant action period, it should be indicated in the application whether the JIT will be extended or whether funding is requested also for purposes of the evaluation or in relation to investigative or judicial procedures directly deriving from the JIT in which its result is to be used.

## F. Implementation of the grant

### Action period

57. The actions planned in the awarded application shall be completed within the action period indicated in the Award Decision<sup>17</sup>.
58. Costs incurred outside the action period may be accepted for reimbursement by way of an exception based on operational justification.
59. The actual date(s) of implementation of the action(s) (e.g. dates when translation of documents took place) - and not the date of issuance of invoice or invoice payment date - is relevant at the reimbursement stage and shall fall within the action period to accept the costs for reimbursement.

### Changes in planned actions

60. Translation and interpretation from/to languages other than those planned in the awarded application will be accepted for reimbursement in the following cases:
- the language of the translation/interpretation is a working language of the institutions of the European Union<sup>18</sup>;
  - the language of the translation/interpretation is an official language of the Member States or participating States of the JIT.
61. Translation and interpretation from/to languages other than those planned in the awarded application and other than those indicated in the point above may be accepted for reimbursement by way of an exception based on operational justification.
62. Travel and accommodation costs incurred in relation to actions carried out in States other than those planned in the awarded application may be accepted for reimbursement by way of an exception based on operational justification.
63. Purchased low-value equipment different from that foreseen in the awarded application may be reimbursed by way of an exception based on operational justification.
64. The minor exceptions outlined in this sub-section may be granted upon the condition that:
- the overall scope of the award has not been changed;
  - all the conditions of eligibility of the costs are fulfilled;
  - the reimbursement still serves the same purpose as that for which the grant had been awarded; and

---

<sup>17</sup>Grants will not be awarded retroactively for actions already completed. A grant may be awarded for an action which has already begun after the date of the deadline for application submission and before the start date of the action period, provided that the applicant can demonstrate the need for starting the action prior to the start date of the action period.

<sup>18</sup> Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Irish, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish and Swedish.

- the additional or alternative actions, related to an unpredictable development of the investigation, serve the same purpose as the planned activities.

### **Extension of the action period**

65. The action period may be extended for an additional three months through a request for an extension, submitted to the JITs Network Secretariat. The request, using the [official template](#), must be submitted at least one working day<sup>19</sup> before the end date of the action period indicated in the Award Decision. The submission of a request for an extension precludes the submission of a new application for the same or overlapping action period (to prevent double funding).
66. The conditions for extension of the action period are as follows:
- only JITs which were already awarded funding can apply for an extension of the action period;
  - the extension can be requested only for the three months immediately following the action period indicated in the Award Decision;
  - only activities already mentioned in the original awarded application can be implemented during the extended action period, i.e. no new actions can be undertaken;
  - during the extended action period, the JIT can spend only funds that were originally awarded;
  - an extension is only valid once confirmed by Eurojust. The extension is granted by an Amendment to the Award Decision.

## **G. Reimbursement**

67. If the application is successful, a specified amount will be reserved pending the submission of a request for reimbursement (using the Reimbursement Claim Form). The reserved funds will remain available until the deadline fixed for submitting a request for reimbursement (one month following the last day of the action period). No reimbursement will be made if the request for reimbursement arrives after the published deadline for submission, except for duly justified exceptions as stated below.
68. Claims after the deadline may be accepted by way of an exception provided that:
- the award is not yet fully consumed by other JIT party(ies) that submitted claims within the deadline;
  - the financial commitment is not yet closed (de-committed)<sup>20</sup>;
  - the claimant provides a valid justification<sup>21</sup> as to why the claim is submitted after the deadline.

---

<sup>19</sup> Working days are defined as Monday to Friday except for public holidays adopted pursuant to Article 61 of the Staff Regulations of Officials of the European Union and Articles 16 and 91 of the Conditions of Employment of Other Servants of the European Union (CEOS), laid down by Council Regulation (EEC, Euratom, ECSC) No 259/68.

<sup>20</sup> The claimant may contact the JITs Network Secretariat to verify whether the financial commitment is closed or not.

<sup>21</sup> Valid justifications are only those falling beyond the control of the claimant(s).

69. A request for reimbursement shall be submitted, together with supporting evidence, by a competent authority of a State involved in the JIT.
